OUT ON THE COURSE

The perfect weather conditions we have been experiencing over the last couple of weeks has made for excellent playing conditions at Amstel Park Golf Course. The fairways are looking lush and green with full grass coverage on the majority of the fairways and the rough is starting to thicken up to toughen conditions. The greens are now firm and fast, rolling true allowing you to hit the ball at the pin.

TWILIGHT GOLF

To take advantage of these perfect course conditions, why head out to play a round of twilight golf? Everyday up until the end of August twilight golf commences at 3.00pm costing you only \$15.00 per person. And if you want to make sure you get around quickly hire a cart for a further \$20 (\$10 per person).
