

## **A DAY AT THE PARK**

The Park Course is now recognised as one of Melbourne's premier public access courses. Towering gums and pine trees provide a picturesque setting for your corporate event. The course provides a challenging but fair test of golf with minimal dress restrictions so your guests will be comfortable all day.

Relax in a clubhouse designed to cater for any number of guests in comfort with stunning views of the course providing the perfect background. Our extensive catering and refreshment options when coupled with the first class golf course are the ingredients that will separate your golf day at Amstel from the rest.

Our professional catering, management, pro shop and ground staff will work together with you to ensure you meet all the desired goals from your event and most importantly make your guests remember this day long into the future.
