## **About the Cadets Programme**

The Cadets programme has been created to provide the opportunity for local children to learn about playing golf in a safe and nurturing environment which encourages friendship whilst experiencing the great outdoors.

Cadets are graded when they start into either:

- Bronze "B" - Just starting out and need to learn everything!
- Bronze "A" - Played a little and understand the etiquette (how to behave) of golf.
- Silver - Understand the etiquette and have a sound grasp of the basic skills.

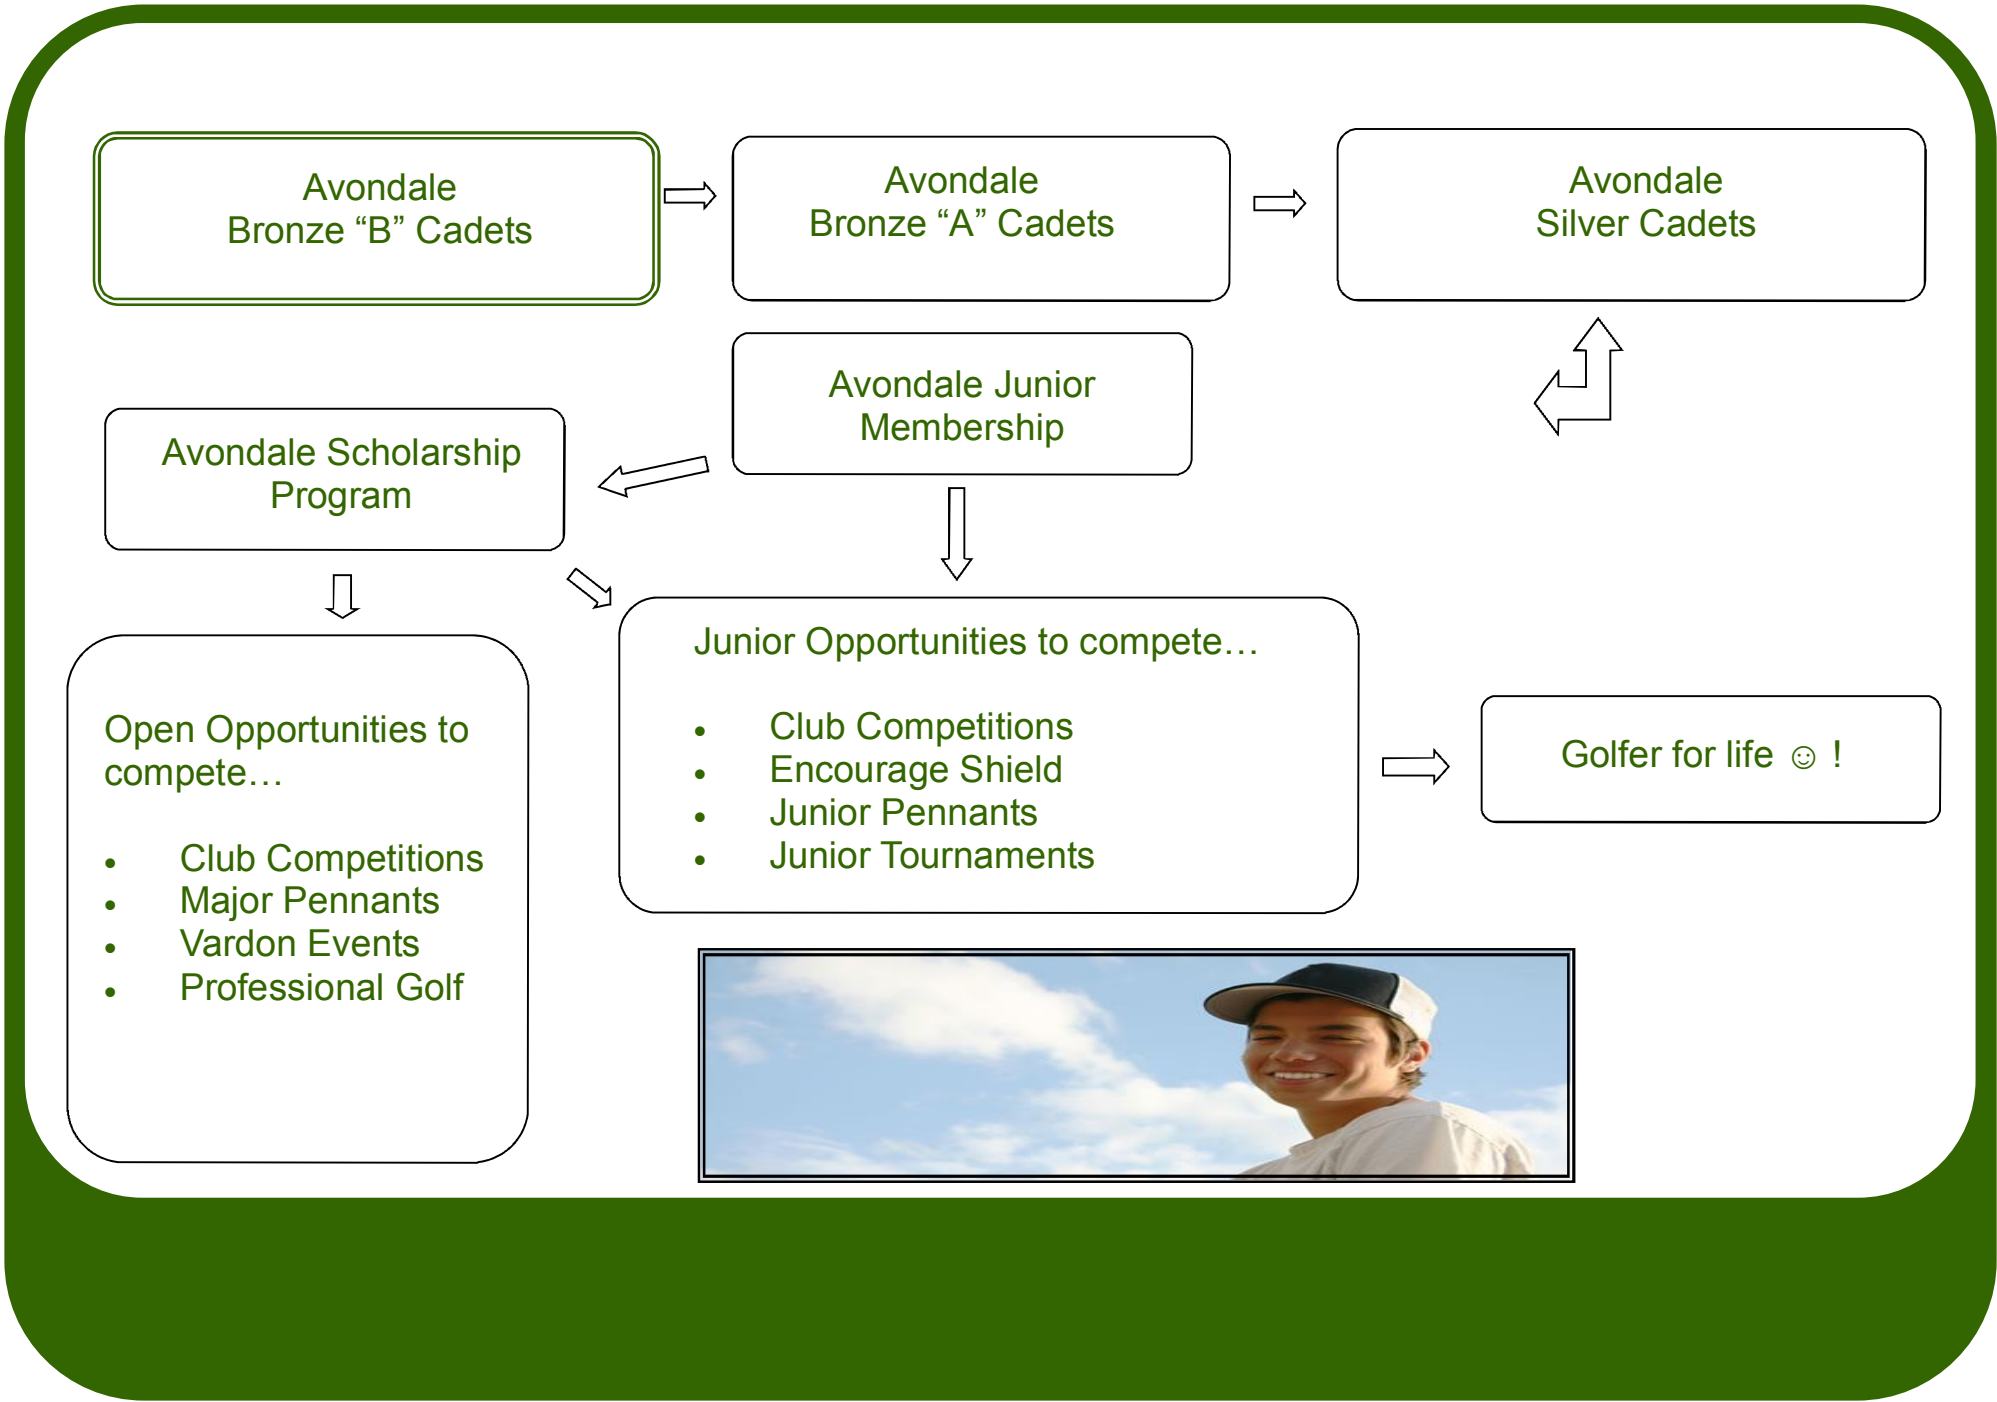

Predominately every second Sunday during school terms, the three grades attend a 45 minute coaching session followed by either chipping & putting (Bronze levels) or on course play (Silver levels). The Silver starts at 1.00pm, Bronze "A" 2.00pm and Bronze "B" 3.00pm. Exact dates are detailed in the attached calendar.

Each session is attended by a Professional Golfer and an assisting Avondale GC volunteer.

All players are required to provide their own equipment.

The programme costs \$150 to enter. The programme is free of charge for member introduced Cadets. This includes tuition, range balls, membership of the Jack Newton Junior Golf Foundation (NSW's Junior Golf Body) and access to areas of course whilst supervised during sessions.

For enrolment please complete the form on Page 6 and fax (9488 7065) or email to [daniel@avondalegolfclub.com.au](mailto:daniel@avondalegolfclub.com.au)
