GOLFING ETIQUETTE

Advice for Visiting Golfers

- Take steps to ensure that your play does not affect the safety of staff and other golfers on the course.
- Play without delay. Be at the tee well before your starting time. Prepare to play your shot while others are playing theirs. Never mark your card when it's your turn to play. Allow faster players to play through. Aim to complete your round within 4 hours.
- Care for our links as if they were your own. Repair divots by filling them with sand - remember sand buckets are compulsory. Carefully rake and leave the rake facing toward the greens in the centre of the bunker.
- Repair damage to the green caused by the impact of the ball, the flag stick, or other golfers. Only repair spike marks after you have finished putting.
- The use of golf carts is a privilege not a right. They are to be driven at a responsible speed and NOT in front of greens or on the side of tees.
- Player only to look for lost golf ball. If in doubt, play a provisional.
- Course staff have right of way. Proceed with caution.
- When on the course, the Club has a supply of disposable canisters available on the 1st tee for smokers to take with them when playing their round. This should be disposed of in the normal rubbish bins when you have finished your round.

A little attention to these etiquette points should mean a pleasant days golf for everyone.

Please remember :

1. Use a sand bucket
2. Repair damage to the course
3. Play without delay - no more than 4 hours.

GENERAL INFORMATION

Club Office Hours

Monday to Friday.....	8.00am to 6.00pm
Saturday.....	9.00am to 5.00pm
Sunday.....	9.00am to 4.00pm
