# Corporate Golf

## Lake Karrinyup Country Club

is widely acknowledged as Western Australia's premier golf club, and is ranked in the top 20 golf clubs in Australia. Just 13km north of Perth's CBD, Lake Karrinyup is a tranquil botanical haven for wildlife including native birds and kangaroos.

Lake Karrinyup is renowned for its challenging layout; the lush couch fairways and manicured Bent grass greens are set in gentle sandy hills surrounded by magnificent bushland.

We are delighted to welcome you to Lake Karrinyup and ensure that you will enjoy our fine course and warm hospitality.

### Important Information for Corporate Golf Days at Lake Karrinyup Country Club:

#### Availability

Golf days are generally allocated to Mondays, Tuesday afternoons and Fridays.

#### Etiquette

All players are expected to have knowledge of the Etiquette of Golf, and observe these at all times.

#### Dress

A neat standard of dress is required at all times by organisers and golfers, both on the course and in the Clubhouse. More detailed information on dress regulations is enclosed.

#### Signage

With the Club's agreement, signage may be displayed around the course at a small charge. With a minimum of 48 hours delivery to the club, erection and removal of banners on the course will be undertaken by our grounds staff. It is the responsibility of the organiser that all signs are collected from the Club (no later than the Friday immediately following).

**Further necessary information is outlined in the attached Terms & Conditions.**

## Your day at Lake Karrinyup

### Arrival

Your guests will find ample parking before registering their participation and utilising the locker room.

Prepare your guests for tackling Lake Karrinyup's famous layout with a warm-up on our Practice Range, or we can provide a Coaching Clinic with our Club Professional for all those little tips to improve your game. Nevertheless, our Professional's Shop is open for your guests to browse through, and staff will be on hand to assist with last minute requirements and help you relay any instructions to your guests.

### Teeing Off

It is recommended that an Ambrose or Stableford competition be played (not Individual Stroke) to enable the efficient completion of rounds, and to maximise the enjoyment of your guests.

A full shotgun start necessitating full closure of the course will generally only be considered for a minimum of 80 players. Smaller Groups will be offered a single tee start.

### On the Course

Your guests can enjoy novelty events such as 'Longest Drive', 'Nearest the Pin' and 'Straightest Drive' or to provide that little extra competition, you may consider our 'Beat the Pro' where your players test their skill against our professional to land the green on a selected Par 3, or beat them on a Long Drive.

All this activity can make a golfer thirsty so we can provide eskies at selected tees to help replenish the energy levels of your guests.

### After the Round

Enjoy a hot shower prior to the service of pre dinner beverages in the courtyard or member's bar while waiting to be seated for dinner.

Great pride will be taken to prepare a menu specifically to your requirements, and to present a wine list from which you may choose suitable matching wines. We will co-ordinate the function for your every need ensuring your guests leave with fond memories of your hospitality at Lake Karrinyup Country Club

The Club requires that a suitable standard of dress be observed at all times. The following guidelines have been prepared, but must be regarded as the minimum standards acceptable.
