

April 2010

19TH HOLE

Three in a row!

That must be a record.

Its been a very busy start to the golfing season, with Kwinana Golf Club hosting the Captain & President's Day and two of the major WGWA events of the year in the Anniversary 4's and the Summer Meeting. These events were very successful and we look forward to a very busy year ahead.

The outcome of the Special General Meeting held on Thursday the 8th of April is on the noticeboard. The minutes will be available after ratification by the Management Committee at their next meeting.

COMING EVENTS

Frank & Elsabe Connor are once again sponsoring the week of competitions in April.

Good Luck to all the players

State Mixed 4BBB Championships are coming in April—Sat 17th & Sun 18th.

This event is again sponsored by P & D Golf.

Organize your partners and get your entry forms in as soon as possible.

If you know of Ladies from other Clubs that would be interested in playing please let the Office know.

26th April 2010 - Kwinana Junior Open sponsored by GF Engineering.

PENNANTS

The Outer Suburban Pennants for the Ladies is well under way and we wish them luck for the remainder of the games.

SENIOR PENNANTS

The Senior pennants started last week with a win by Black and Orange teams. Green team unfortunately lost at home but will pick up next week. Good luck to all the players and let's hope to bring home some more flags.

GOLF ETIQUETE

There has been some incidents with regards to raking of bunkers. Please remember the people playing behind you do not want to play out of your footprints.

BITS & PIECES

On a Sad Note

One of our valued long term members David Duff lost his battle with cancer. Sadly he passed away on Sunday 11th April 2010.

He will be missed by many.

Captain Presidents Day 14th March 2010.

Kwinana Golf Club hosted this event for 2010. It was a closely contested challenge with Captain's and President's from the other Metropolitan clubs all being represented. This event is played each year and the Clubs all take turns in hosting it. The Hastings Reid Cup was won by Sun City Country Club just pipping the home team of John Cody &

Sandy Bennison on a countback. Better Luck next time guys.

Hole in One's Tony Thorp Hole 3

Junior to be proud of
Jake Watterson

On Friday the 9th April one of our talented junior members also proved what an honest young man he is. Whilst out playing golf he found a wallet beside the 9th green which he promptly handed in to the bar.

The grateful owner rewarded Jake for his honesty.

Well done Jake!

Eagles on a Par 4

15th & 16th March 2010

Kwinana Golf Club were host to the WGWA Anniversary 4's and the Summer Meeting this year. The event was well received by nearly 200 ladies over the two days.

Congratulations to the Kwinana Ladies who catered for this event and coordinated the running of the event.

Pro's Tip

Grip Thickness

Take your left hand grip on a club. Check to see if the middle 2 fingers are barely touching the pad of your thumb. If so, then your thickness is correct. This will give you maximum control of the club.

If your middle fingers are touching the pad, the grip may be too thin for you. You could lose control when swinging, or the grip will turn in your hand. You may also experience hitting your shots left. Should your gap between your thumb pad and the middle fingers be too wide then the grip is too thick for you. This could prevent your club face squaring up at impact, causing shots to go right. There are however personal preferences in grip size according to the shape of shot you wish to play. Some players prefer thicker grips to encourage a consistent fade for example. Have your grip thickness checked at the pro shop if you are unsure.

Re-Grips are available from \$10.00 per grip and altering your current grips can be arranged from \$ 3.00 per grip.
