

What's News???

- Tomorrow is the February Medal as well as the Gold Medal for previous Medal winners. Please ensure you are keeping up with the group in front and not in front of the group behind. The Geoff Butt Cup is also up for grabs. Good luck to all players.
- Tomorrow's forecast is for yet another hot one! Make sure you put on the sunscreen and keep well hydrated. It is vital that you load up with plenty of water before you play as well as continually sipping water as you progress through your round. Please ensure you take the correct measures to assist you in battling the conditions
- Congratulations to Kyle Grant on coming equal 1st in the NSW Amateur Medal this week. What a great effort considering he had to take 8 months off from swinging a golf club a couple of years ago.
- Michael Raseta & Kyle Grant also qualified for the NSW Amateur Matchplay which started on Wednesday. Unfortunately, Michael was beaten on Thursday whereas Kyle has just been beaten 6 & 4. But what a fantastic effort by both players and as Kyle said on Tuesday night at the draw, thanks to ALL members because they are where they are because of your support.
- Golf results not being in the papers has become a topic of conversation for many Members. So what we did is investigate why they don't get published. Answer is that if you read the Sun Herald, you will see them whereas the Telegraph culls clubs to save space. Basically, if you want to see the results then the Herald will print them. It is not the Pro Shops fault is they don't get published because they are always called through to the papers at the closure of the comps.
- Guess What? Fox Sports is now on in the club . Whilst we can't get the racing channels due to Sky Channel, we have 40 channels which include all the sports channels. We will be able to show all the football, league and union games throughout the season as well as the golf when it is on.
- The Major Pennant season kicks off this weekend where we will be taking on Chatswood at home. The first tee time is 7.30am off the 1st and we will have a full strength team consisting of 1. M. Raseta © 2. K. Grant 3. A. Peade 4. P. Rudd 5. S. Albinski 6. P. McConnell 7. M. McInnes and Reserve: S. Beverley. Come down and support the team.
