

Director of Golf - Dylan Taylor

Golf Improvement Coaching Program

- 45 minute individual assessment discussing exactly what is expected of the student and coach. Organise a practise plan that will be centred on the student's lifestyle. In this session it will ensure both coach and student are on the same wave length. It will provide the ideal time to prioritise the goals and expectations of the student into a realistic plan.
- 6x 1 hr coaching sessions using the latest Dartfish Swing Analysis software.
- Dylan Taylor to caddie for the student under competition conditions. (18 holes- provide feedback on strengths and weaknesses)
- 2 hr session identifying club yardages.

Cost = \$1195 GST inclusive

On Track Coaching Program

- Introductory 1hr Coaching session using the latest Dartfish Swing Analysis Program.
- 9 hole playing lesson. A summary of the students performance to be discussed with on the conclusion of play. This will provide the necessary points of focus for the following 3 sessions.
- 3x 45 min sessions working effectively on improving the weaknesses identified in the first session.
- Long game skills test to put practise into play and provide the necessary benchmark for the student to compete and gain confidence from their improved technique

Cost = \$570 GST inclusive

Be Better Coaching Program

- 45 minute individual assessment discussing exactly what is expected of the student and coach and organise a practise plan that will be centred on the students lifestyle. In this session it will ensure both coach and student are on the same wave length and it will provide the ideal time to prioritise the goals and expectations of the student into a realistic plan.
- 3x 1hr sessions improving the weaknesses as discussed in the students assessment

Cost= \$325 GST inclusive
