### FINAL ROUND OF RIVERSDALE CUP

The start of the day saw West Australian golfer Jessica Speechley and Courtney Massey from Queensland tied in the lead and a tough day ahead of them with three players, Carly Beck, Elle Sandak and Ashley Ona within two strokes of the lead

As the day progressed, the intensity increased and Ashley Ona Queensland team member ,and Elle Sandak both 4 under for the day after 9 holes, took the lead in the final round of the Women's Riversdale Cup International Amateur Championship in Melbourne today.

Carly Beck from NSW ,on a handicap of 2, is in third place after 9 holes

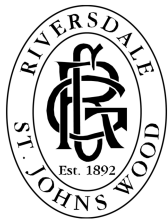

The third hole proved to play well for a few fortunate girls as they chipped in off the green for a birdie and the highlight was 17 year old Rachel Korevaar, handicap of 3, hitting in for a hole in one. She was delighted with her first hole in one and plans to keep the ball as a special souvenir.

Defending champion Ashlee Dewhurst from Tasmania started today's round in fourth position.
